
Notes Intrinsic Field Magnet Ashworth R

has been a synonym for high quality smco materials. the - recoma® sintered samarium cobalt magnets
characteristic units c // c reversible temperature coefficients (1) of induction, α (br) %/°C of coercivity, α (hcj)
%/°C coefficient of thermal expansion (2) $\Delta I/I$ per °C $\times 10^{-6}$ 714 thermal conductivity w/(m•k) **differential-hall-**
effect based sensors series a5s... - speed and frequency braun gmbh iso 9001 certified quality post-office
box 1106 • d-71301 waiblingen
