## Romance French Abbeys Champney Elizabeth Putnams

**monasteries - church of st. john the evangelist** - in a book on french monasteries written at the time (1909) - "romance of the french abbeys" (elizabeth w. champney - gp putman's sons) - one finds the typical english vision of "ruins" and the preface begins, "scattered throughout the length and breadth of france, almost forgotten in their out-of-the-way nooks, the abbeys, though forsaken **Itteran? Irotes.** - **biblicalstudies** - mrs. elizabeth w. champney, who has already published some delightful volumes dealing with the bourbon, renaissance, and feudal chateaux, as well as one on french abbeys, has recently completed an excellent work, for immediate publication, dealing with the "romance of italian villas." hardly
